Dear Sir / Madam

**W843 Durley Brook Road and Stapleford Lane, Durley – Drainage Works**

As part of Operation Resilience, Hampshire County Council's annual programme to make Hampshire's roads more resilient to the effects of extreme weather and heavy traffic, this letter is to advise you of upcoming drainage improvement works in Durley Brook Road, between Stapleford Lane and Durley Primary School, and Stapleford Lane, between Snakemore Lane and Chancellors Lane.

The works are programmed to start Monday 18<sup>th</sup> October 2021 and are expected to last for 8 weeks. In order to undertake the works safely it will be necessary to close the road to through traffic from from approximately 9:30 to 16:00hrs each day.

Access for residents and businesses will be maintained during the closure and will only be restricted when the works are directly outside your property.

Whilst every effort is made to adhere to the published programme there may be times when we have to postpone works at very short notice, e.g. because of poor forecasted weather. We will always endeavour to provide you with up to date information, but sometimes these last minute decisions can be difficult to relay to residents and road users in a timely manner. **Where possible any significant changes to the scheduled dates/times will be made clear on the yellow sign boards located at each end of the site.**
